*the possibility of fragments
there must be something we can eat the possibility of fragments
find my asshole brother
in a disconnected state mickey mouse has grown up a cow
the possibility of fragments
You're to blame
in a disconnected state we're so bored
expressing the essence of the whole
Ever Y Thing Zen?
the possibility of fragments rain dogs howl for the century
in a disconnected state as you search for your demi-god
expressing the essence of the whole
try to see it once my way
I don't think so better than the whole itself*
